

How to connect to eduroam network - iOS

Set up with the geteduroam app:

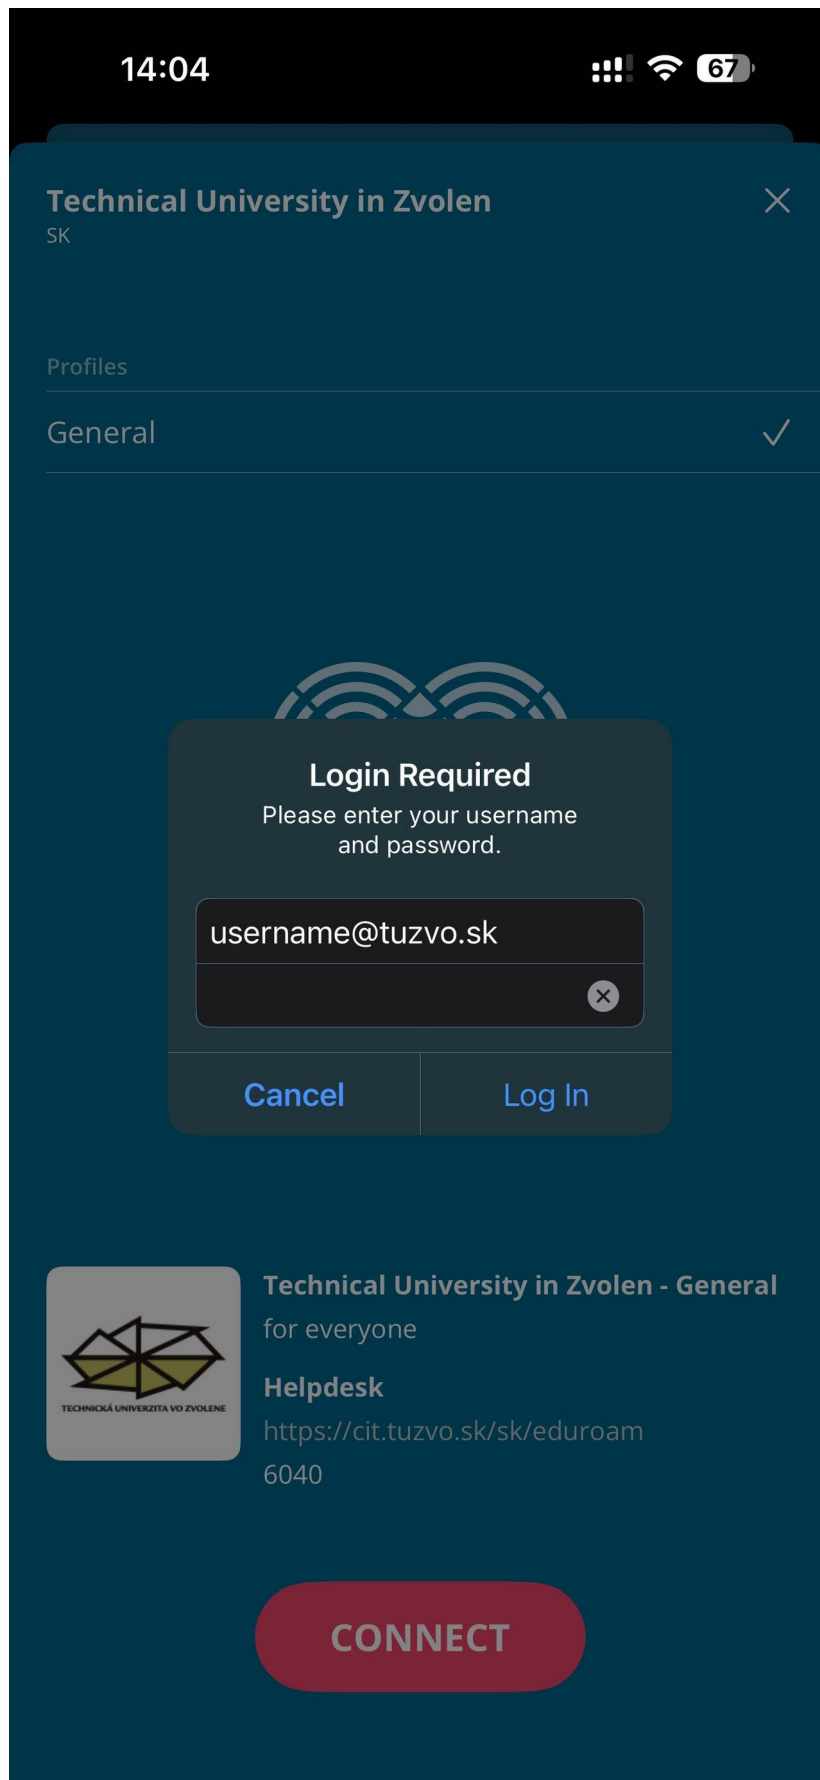

Open the **App Store**, search for **geteduroam**, and install the app.

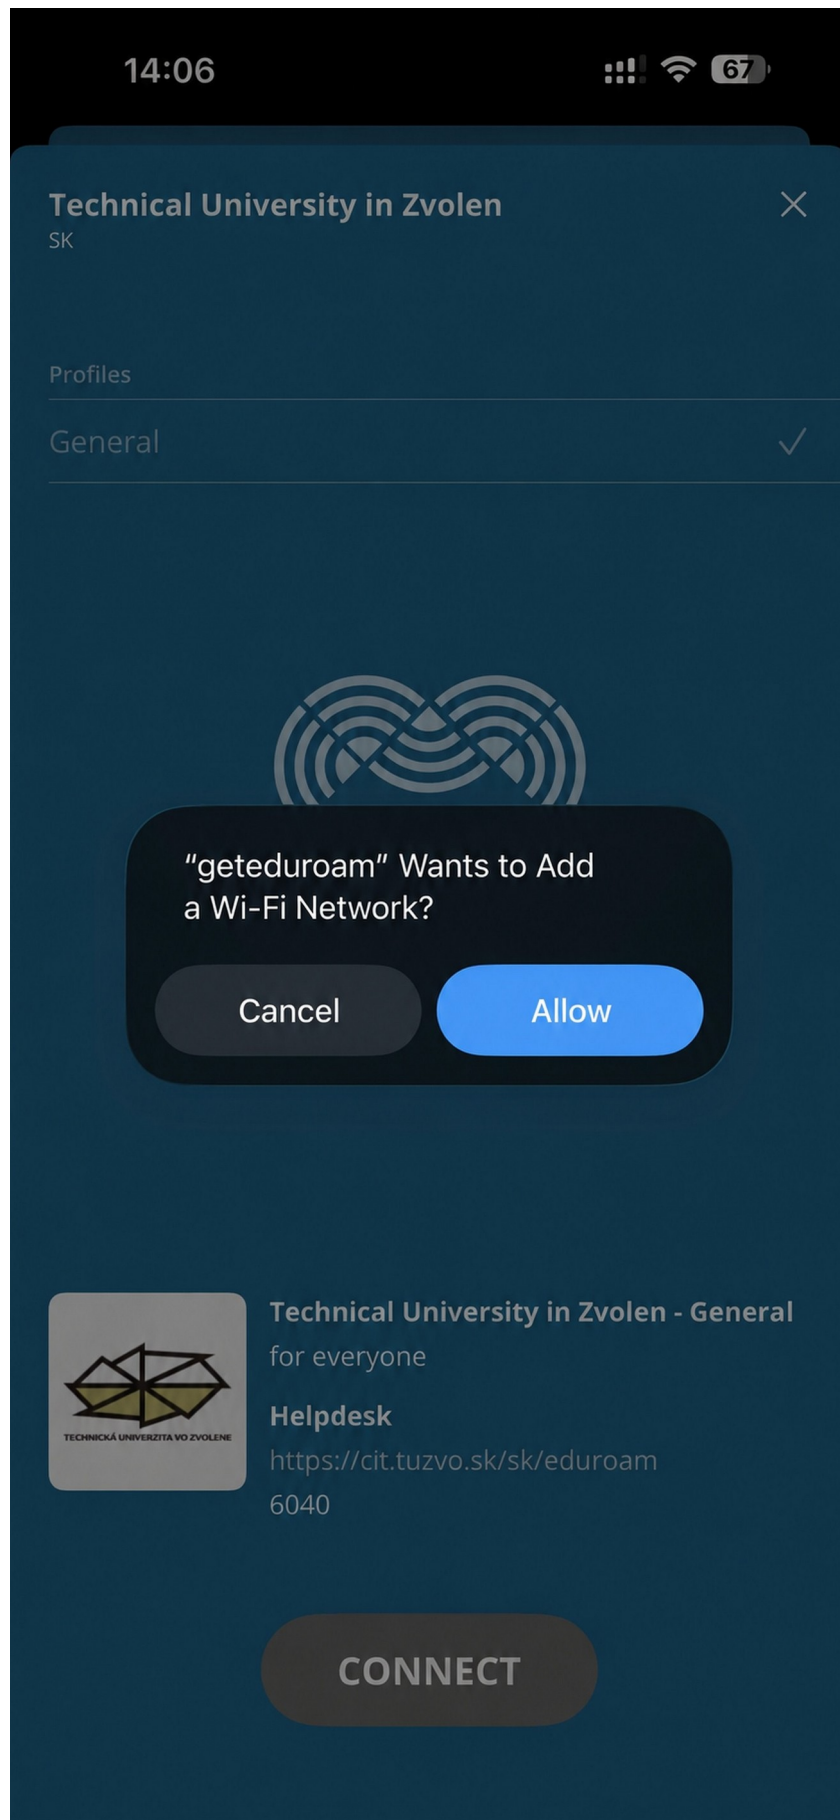

Open the app, search for **zvolen**, and select **Technical University in Zvolen**.

When prompted, enter your username in the form **username@tuzvo.sk** and your password (username=UIS login name, password=same as for UIS). Then tap **Log In**.

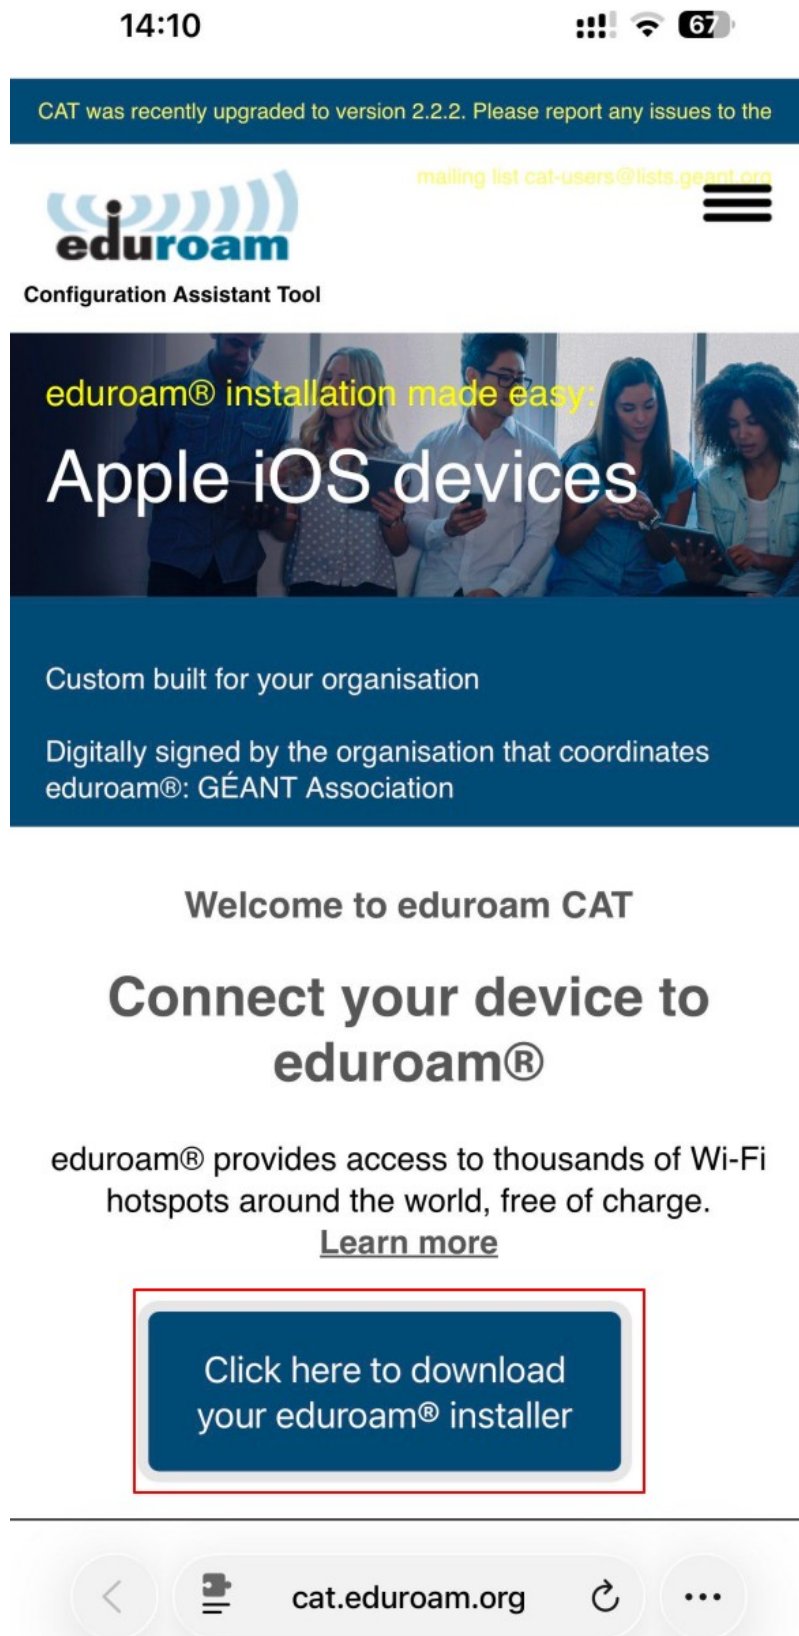

When asked to add the eduroam Wi-Fi profile, tap **Allow**, then **Connect**. Once the profile is saved, you can close the app.

Manual setup:

Open a web browser and go to cat.eduroam.org. Tap the button to download your eduroam installer, then select **Technical University in Zvolen**.

Tap the **eduroam** installer button, then tap **Allow** when prompted.
